

2018 Football Mulch Sales Information

Sales and Collection

1. We are using a new wholesale mulch supplier this year. Brewer Farms is a mulch wholesale supplier located in Chandler – brewerfarmsincin.com.

Several suppliers competed for this year's business.

2. The Customer prices are:

Natural - \$4.50

Black - \$5.00

Red - \$5.00

Brown - \$5.00

3. We have a \$150,000 gross mulch goal - \$75,000 net. In order to reach this goal, we need to sell 33,000 bags, only 225 bags per player. **In 2017, Thirty-Two players sold 500 or more bags each. Let's make this a team effort!**
4. The free delivery boundaries are US 41, Millersburg Rd and State Road 61. Exceptions can be made for orders greater than 75 bags outside the free delivery area.
5. Mulch sales begin February 22nd and will run through Monday March 20th. Freshmen (current 8th graders) have been given a current senior's former customers.
6. All sales will be for delivery only – no pick-ups. If a player/parent wants to pick up mulch for delivery outside the free delivery area they can fill out the sales order form to have the mulch delivered to their home or to the church (address: **4544 Old State Rd 261**). Church mulch will be made available at the end of the day, Saturday.
7. **Checks should be made payable to CASTLE FOOTBALL PARENT CLUB or CFPC.** Each customer delivery needs to have an order sheet filled out. **Completely fill out the sales order form. Tear off the top section and give to the customer** and put the bottom section into your Sales Envelope with the money. Please, do **not** staple checks to the sales order forms.

8. **Cash Donations** – Players will get credited for any cash donations collected. The amount of the credit (bags count) will be the donation divided by \$2.00.
9. Customers can specify on the sales form (under ‘special instructions’) where in their yard they would prefer to have the bags distributed. **We do not open bags upon delivery.** Players can make independent arrangements with customers after delivery day to open the bags and spread mulch.
10. Players will go to castlefootball.com and download a Microsoft Excel Player’s Sales Log and enter their sales information. Once completed the electronic Sales Log will be emailed to castlemulch@gmail.com. This year’s electronic Player’s Sales Log is very similar to last year’s Sales Log.

Players have a suggested date and time to turn in their cash/checks. The suggested date and time appear on the outside of the packet. Players will sit down with volunteers and call up the Sales Log the player emailed to castlemulch@gmail.com. Their cash/checks will be totaled. **The cash/check total must match the Player’s Sales Log total.** There is no need to reschedule to another specific time if you can not make your original date and time – please turn your in money sometime during one of the two evenings.

Players can email as many updated Sales Logs as they need. Players should write their **FINAL ‘from’ email address, Sales Log filename, date and time emailed on the outside of their Sales Envelope.**

11. For those without Microsoft Excel or email: Bring your sales order form information, cash and checks to the high school at the time indicated on your packet. Volunteers will help players enter their sales information into an electronic Player’s Sales Log and complete the email to castlemulch@gmail.com.
12. Sales Envelopes with the bottom half of the sales order forms and **CASH/CHECKS** should be returned during the following times:

Wednesday, March 21st, 6:00 to 8:00 pm

Thursday, March 22nd, 6:00 to 8:00 pm

Where: Castle High School, Old Library, Computer Lab (main hall)

Players should place their **FINAL ‘from’ email address, Sales Log filename, date and time emailed on the outside of their Sales Envelope.**

Players will sit down with volunteers and call up the Sales Log the player emailed to castlemulch@gmail.com. Their cash/checks will be totaled. **The cash/check total must match the Sales Log total.**

Players will turn in their packets with the sales slips inside. This is our back-up in the event a question arises with one of your customers.

13. **AGAIN THIS YEAR!:** Players should call their customers the late afternoon or early evening of Sunday, April 8th to ensure delivery was properly completed. Any missed deliveries should be immediately reported to the player’s parent club class representative for delivery by Tues Apr 10th.

SAFETY!!!!

Safety: We do not want players in the back of trucks while the trucks are moving. We must obey all safety laws. We must not overload trucks beyond their safe operating limits. Braking distances increase with additional load.

The mixture of fork lifts, semi-tractor trailers, delivery vehicles and high school boys can be dangerous. Please help keep our safety record spotless.

NEW! We are requiring an adult to be in every delivery vehicle. Players are not to make deliveries without an adult in the vehicle.

FOOD!

This year’s mulch sale organizers have vowed to provide the same quality of food as last year.
